Here’s a list of things you’ll want to know in preparation for Move-In this fall.

**No pets are allowed in the residence halls.**

Blinds are installed in each room; however, any curtains are the sole responsibility of the resident and are only acceptable with tension rods that do not damage the window framing or walls.

Bryant Hall features a lock that allows you to use your Action Card to gain access to the building and as the key to your suite. Individual room keys will be used for bedroom access.

You may only use nails or push pins to hang items on walls (please limit 4 holes per room to avoid repair charges).

If you are planning on arriving outside of the scheduled Move-In times:

Parking close to the buildings is limited, so you may want to bring moving items such as a hand truck or portable cart to assist you when moving in.

**Furniture**

The furniture that is provided by HRC must stay in the room. Any additional furniture that you choose to bring in must not present a safety hazard, i.e., blocking doors. Please note that any upholstered furniture or other items you choose to bring into your room must be made of fire-resistant upholstery. Fire ratings for acceptable furniture will be shown on tags attached to the item, in accordance with the Flammability Requirements of California Bureau of Home Furnishings Technical Bulletin 117 (a tag on the upholstery will display if this piece is compliant with these standards).

**Bathroom**

Your suite or apartment has its own bathroom. You will be responsible for cleaning it and therefore you will need to bring cleaning supplies.

**Laundry**

Laundry rooms are available on the 2nd and 4th floors. The cost is $1.25 each for washing and drying. The machines take Bama Cash from your ACT card, or quarters can be used.

We recommend you use high efficiency (HE) laundry detergent, which will help ensure that your clothes are properly rinsed during the washing cycles. You also don’t need as much detergent per load as with traditional detergent.

**Cable and Internet**

Your community will have a wireless internet connection called ResNet, but you may want to bring an Ethernet cord as well. If you plan on bringing a printer, please plan on connecting it to your computer with a cable, instead of the shared wireless connection.

Cable service is already connected in your room. Please remember to bring a coaxial cable for each television you are planning to hook up. DO NOT plan to mount a television on the wall, as this is not permitted in any residence halls.

**Other Room Information**

Your floor is carpeted, so you may decide not to bring an area rug.

Your building is single-gender, so please check with the building staff regarding guest and/ or visitation policies for the opposite gender.

**Move-In**

For more information on getting ready for Move-In, check out our website with tips and packing lists.

You will receive additional move-in information in the mail later this month, including a parking pass to use during Move-In and a map to direct you to your residence hall.
