Here’s a list of things you’ll want to know in preparation for Move-In this fall.

**BED INFORMATION**
Your bed is an extra-long twin, so XL bedding will be necessary. Your bed will adjust to a height of 33 inches, so you may decide to have your bed lofted. In order to do this, please contact Collegiate Bed Loft at www.cblorder.com.

**FURNITURE**
The furniture that is provided by HRC must stay in the room. Any additional furniture that you choose to bring in must not present a safety hazard, i.e. blocking doors. Please note that any upholstered furniture or other items you choose to bring into your room must be made of fire-resistant upholstery. Fire ratings for acceptable furniture will be shown on tags attached to the item, in accordance with the Flammability Requirements of California Bureau of Home Furnishings Technical Bulletin 117 (a tag on the upholstery will display if this piece is compliant with these standards).

**BATHROOM**
You will share a community bathroom, so you may want to bring shower shoes and a shower caddy. If you share a bathroom with your neighbors that cannot be accessed from the hallway, you will be responsible for cleaning it and therefore you will need to bring cleaning supplies.

**OTHER ROOM INFORMATION**
Your floor is vinyl tile, so you may decide to bring an area rug. You may also purchase a rug from Collegiate Bed Loft at www.cblorder.com.

Your building is single-gender, so please check with the building staff regarding guest and/or visitation policies for the opposite gender.

**APPLIANCES**
Your room will have a microfridge which is a microwave, freezer, and refrigerator all-in-one unit. Please do not bring any additional microwaves or refrigerators.

HRC does not permit open-flame appliances or appliances where the food comes into direct contact with the heat source; this includes charcoal or gas grills, George Foreman-type grilling appliances, candles, toaster-ovens, and hotplates. Students are encouraged to utilize appliances with an automatic shut-off feature in their space, such as a coffee pot, crockpot or rice cooker (with an automatic shut-off).

**LAUNDRY**
The laundry room is available in the basement.

We recommend you use high efficiency (HE) laundry detergent, which will help ensure that your clothes are properly rinsed during the washing cycles. You also don’t need as much detergent per load as with traditional detergent.

**CABLE AND INTERNET**
Your community will have a wireless internet connection called ResNet, but you may want to bring an Ethernet cord as well. If you plan on bringing a printer, please plan on connecting it to your computer with a cable, instead of the shared wireless connection.

Cable service is already connected in your room. Please remember to bring a coaxial cable for each television you are planning to hook up. DO NOT plan to mount a television on the wall, as this is not permitted in any residence halls.

**Move-In**
For more information on getting ready for Move-In, check out our website with tips and packing lists.

You will receive additional move-in information in the mail later this month, including a parking pass to use during Move-In and a map to direct you to your residence hall.
